Metro Police, et al.,
Defendants

Case No.: 2:19-cv-0108-JAD-NJK

**Order Adopting
Report & Recommendation and
Dismissing Case**

[ECF Nos. 1, 3]

In a single-paragraph complaint, Jose Alejandro Gomez sues a handful of corporations and agencies, alleging that they are “working together to delete [his] self” and “have been hacking” his telephone, health, marriage, and family.¹ Magistrate Judge Koppe recommends that I dismiss this action as frivolous because it is premised on a delusional factual scenario.² She further recommends that I do so without leave to amend because it is clear from the face of the complaint that its deficiencies cannot be cured by amendment.³ The deadline to object to this report and recommendation has passed without objection, and “no review is required of a magistrate judge’s report and recommendation unless objections are filed.”⁴ Accordingly,

IT IS HEREBY ORDERED THAT the Report and Recommendation [ECF No. 3] is **ADOPTED** in full; this case is **DISMISSED** with prejudice as frivolous and delusional; the
